

Nutsa Sesiashvili

New Media Designer

+385916158738 | nutsasesiashvili7@gmail.com | Portfolio: <https://nutsasportfolio.netlify.app/> | Zagreb, Croatia

Summary

New Media Designer and Graphic Designer with expertise in branding, digital and product design, 3D visualization, and motion graphics. Experienced in creating visual identities, social media assets, and interactive content for international and nonprofit clients. Skilled in Adobe Creative Suite, Figma, Blender, and Cinema 4D, with strong visual storytelling and design execution.

Professional Experience

Freelance Graphic Designer

May 2024 – Present

- Design branding systems and digital assets for 10+ international clients, including the Georgian Embassy in Zagreb, A Thousand Plus, Cepharm, and Cypress Minerals
- Deliver visual identities, social media graphics, and promotional materials under tight deadlines
- Communicate with clients to define project scope, incorporate feedback, and ensure timely delivery

3D Design Intern

May 2025 – August 2025

Garnamatac

- Collaborated with a mentor and co-intern on a creative 3D project focused on spaceship modeling
- Contributed to the full production, including concept development, 3D modeling, and texturing
- Gained hands-on experience with professional workflows and iterative design processes

Student Tutor

January 2024 – May 2025

Rochester Institute of Technology, Zagreb, Croatia

- Held weekly tutoring sessions for 25-35 students
- Supported students during in-class lab sessions for New Media Design: Digital Survey II, NMD Elements II, & 3D Design
- Assisted students in understanding technical tools, design principles, and course assignments
